MOOSE?!?!?!?

The screenshot shows a web browser window with the title "The CPAN Search Site - search". The address bar contains "sear...". The browser's bookmark bar includes "Bookmarks", "Pocket : Queue", "Offliberate this", "PasswordPusher", and "Why is my SSL web". The CPAN logo is displayed on the left, and a navigation menu on the right includes "Home", "Authors", "Recent", "News", "Mirrors", "FAQ", and "Feedback". A search box contains the text "moose", and a dropdown menu is set to "All". A "CPAN Search" button is visible. Below the search box, a blue bar indicates "Results 1 - 10 of 3282 Found". Navigation links "1 · 2 · 3 · 4 · 5 · 6 · Next >>" and "Page Size: 10 20 50 100" are present. The search results list three items:

- [Moose](#)**

OMG I LUV U CPAN

The image shows three overlapping browser windows displaying the meta::cpan website. Each window shows the profile of a different author, including their name, profile picture, email, website, location, and a list of distributions they have uploaded. The browser's address bar shows the URL 'http://meta.cpan.org'. The system tray at the top indicates the time is Mon 9:01 PM and the battery is at 86%.
